Manuscript Title:

Part 1 (To be completed if the copyright belongs to you)

1. In consideration of the publication of my/our contribution in the International e-Journal of Science, Medicine and Education (IeJSME), I/we hereby warrant:
2. I/we assign wholly and absolutely to the IeJSME with effect from the date when the above-referenced Article is accepted for publication in the IeJSME all present and future copyright whatsoever in the Article. Such assignment of copyright shall include, without limitation to the foregoing, the exclusive right to do any and all acts in all countries in which the copyright (or analogous rights) in the Article subsists (or in the future subsists) together with all rights of action in respect of any past or existing infringement of such copyright;
3. That the Article is my/our original work, has not been previously published elsewhere either in printed or electronic form (including World Wide Web home pages, discussion group and other electronic bulletin boards), and is not under consideration for publication elsewhere;
4. That the Article contains no violation of any existing copyright or other third party right or any material of an obscene, libelous or otherwise unlawful nature, and that I/we will indemnify and keep indemnified the Editors of the IeJSME against all claims and expenses (including legal costs and expenses) arising from any breach of this warranty and the other warranties on my/our behalf in this agreement;
5. That I/we have obtained permission for and acknowledged the source of any illustrations, diagrams or other material included in the Article of which I/we am/are not the copyright owner/s.

In consideration of the publication of my/our contribution in the IeJSME, I/we hereby assign to the IeJSME (acting as agent for the owner of copyright in the journal where different) the present and/or future copyright, including the right to communicate the accepted Article throughout the world in any form and in any language (including without limitation on optical disk, transmission over the internet and other communication networks, and in any other electronic form).
